2010-2011 Annual Report

T.E.A.C.H. Outcome Measures

The T.E.A.C.H. Florida program staff evaluates the scholarship components of education, compensation and retention on an annual basis. The following shows the average outcomes for Associate and Bachelor degree participants. In order to employ valid statistical sampling for the three areas being measured, we have included figures from 2005 through 2010.

Increased Education

The following number of credits was earned by recipients:

- 14 credits earned after one completed scholarship contract
- 27 credits earned after two completed scholarship contracts
- 39 credits earned after three completed scholarship contracts

Increased Compensation

Scholarship recipients in the sample group have realized:

- 9% increase in earnings after one completed scholarship contract
- 18% increase in earnings after two completed scholarship contracts
- 27% increase in earning after three completed scholarship contracts

Reduced Turnover

Scholarship recipients had a low turnover rate of:

- 8% turnover after one completed scholarship contract
- 6% turnover after two completed scholarship contracts
- 4% turnover after three completed scholarship contracts

Center Evaluation Responses

All centers are sent evaluations at the end of each contract. The responses from the past year show that centers:

- felt their share of the cost of tuition to be about right
- found giving three hours of release time to be difficult
- found giving three hours of release time to be important
- found awarding a raise/bonus to be very important
- found the Florida Children's Forum to be supportive
- stated they would recommend T.E.A.C.H. to others
- saw positive changes in sponsored teachers this past year

Recipient Evaluation Responses

All recipients are sent evaluations at the end of each contract. The responses from the past year show that recipients:

- found their share of the cost of tuition to be about right
- found assistance in paying for books to be very important
- found three hours of release time to be about right
- found three hours of release time to be very important
- found receiving a bonus or raise to be very important
- found their child care center to be very supportive
- found the Florida Children's Forum to be supportive
- recommend this type of scholarship program to others

As a **TEACH** recipient, I have

seen both **personal and professional growth** within myself. It is very **rewarding to have a team** (personally known and unknown) supporting my decision to further my education.

This program **offers teachers a chance to a brighter future.** It encourages and inspires us to keep going to **be the best for our children and families.** ~ *Kenyatta Jelks*

What is T.E.A.C.H.?

Teacher Education And Compensation Helps

T.E.A.C.H. is a comprehensive scholarship program that provides the early childhood workforce with access to educational opportunities. By promoting higher education, the program is helping to establish a well-qualified, fairly compensated and stable workforce for Florida's children. T.E.A.C.H. provides scholarships for early childhood practitioners to work toward an Associate or Bachelor Degree in early childhood education, a Florida Staff Credential or a Florida Director Credential.
